

JCTA of LBI
Meeting of 5/2/11

Attendees:

Steve Rabbitt	Barnegat Light	Charlie Gaver	Harvey Cedars
Pat Moran	North Beach	Richard Jeffries	Surf City
Barbara Lehman	Harvey Cedars		

Meeting was called to order by President Pat Moran at 7:08 PM.

Since there was not a quorum present, no official business could be conducted.

Some general discussions ensued relative to the success of various school budgets, the removal of the Stafford mayor and Mayor Connors opposition to the announced school reorganization plan.

It was also suggested that the JCTA might consider taking a position, in light of the apparent conflict that may be developing over this issue.

The meeting adjourned at 7:38 PM.

Meeting dates Balance of the year:

7/11/11	8/1/11
9/12/11	10/3/11
11/7/11	12/5/11

It is suggested that each member organization consider appointing two representatives to the JCTA; so as ease the attendance situation, but to more readily assure a quorum. Each organization would still only have one vote, but both appointees could participate in discussions, etc.
