Message from President Dan Macone

Hello Everyone. Soon another summer season will be here and we will all be enjoying our corner of paradise once again. The Holgate Taxpayers Association (HTA) has been actively engaged this winter working with Long Beach Township officials on the ongoing projects in Holgate. It is expected that the projects will all be completed before the end of June with the exception of the Janet Road pump station, which will be started after Labor Day. The HTA Trustees met on April 2nd to set the agenda for 2016. The minutes of the meeting have been posted on the HTA web page [here](#) where you can read about the initiatives planned for the year. We thank everyone for their support of the HTA as we work together to make Holgate the best it can be. If you have new neighbors who just moved to Holgate, please let them know about the HTA and encourage them to become a member.

The Annual Spring General Meeting

Saturday, June 4 at 10:00 am

Place: Long Beach Township Municipal Building, Brant Beach, NJ 08008

Please try to attend and meet your elected officials. Mayor Mancini, Commissioners Ralph Bayard and Joe Lattanzi are scheduled to speak and answer questions. Officer Megan Keller will speak after the meeting about the Neighborhood Watch Program. Coffee and cake will be served. Come and get involved!

Neighborhood Watch Program

The Holgate Neighborhood Crime Watch is seeking "additional eyes" to join their group. It is

something you probably already do, but we would like to make it official. Please call Marianne Hurley at 609-492-2266 or contact her at hurleyinn@comcast.net. A police officer will give a brief description of what the Neighborhood Watch entails following our meeting on June 4. Please plan on attending.

Beach Replenishment

The Liberty, Dodge and Padre Island dredges are on site around Nelson Avenue and conducting dredging and beach fill operations. Great Lakes Dredge & Dock expects Beach Haven to be complete by middle/late May.

Dune Vegetation

We have to utilize the many and very positive associations we have on LBI with regards to the planting, which is normally done in the Spring and Fall, and of course this year will be the Fall after the beach replenishment is completed. Our Dune Planting capital has \$13,118 and we hope for more contributions this Spring.

Greenhead Traps

We will be repairing and baiting all traps by June 7 with a second baiting completed by July 21.

Membership

To become a member of the HTA, you can join via Paypal [here](#) or by check by completing the membership form available [here](#).

Fall Barbeque

Please join us for our annual Fall barbeque to be held
Saturday Sept. 10 at 4:30 at the Bayside Tennis Courts
Bring a covered dish to share!
Soft drinks, hot dogs, hamburgers are on us. Don't forget a chair.
